Dear Sirs,

Sub: Increase in price of our scrips

Ref: Your communication L/SURV/ONL/PV/RS/2021-2022/163 dated 5th May 2021

We refer to BSE email of date observing significant movement in the price of our security at their Exchange.

We too have observed higher volume of trade and higher prices in the Stock Exchanges in the case of our equity shares. We believe this is in line with the increased interest shown of late in listed sugar scrips by market participants, enthused by higher success in ethanol blend program and the uptick in global sugar prices brought about by reducing crop outlook from Brazil, the world's lead sugar producer and exporter.

We have no company specific information to report pursuant to Regulation 30 of LODR, other than what we have been furnishing from time to time. We have vide our letter dated 21.04.21 informed both the Stock Exchanges the date of our Board meeting on 7th May'21 to consider and approve the audited financial results as well as to consider or passing over of dividend for FY 2020-21.

In case any further information or clarification is required, we shall be pleased to provide same.
